1. As a competitive player I want to be able to create a personal user, so I can be part of a ranking system.
2. As a competitive player I want to be able to see my ranking, so that I can compare myself to other players.
3. As a competitive player I want the other person to lose if they quit before the game ends.
4. As a family we should be able to easily switch between users, so we don't have to share rank.
5. As a user I want to be able to choose between playing against the computer, and another person, so that I can play alone, or with others.
6. As a user I want to be able to change the difficulty of the computer so that it fits most skill levels. (Novice, Intermediate, Expert)
7. As a novice I want to be able to see the rules of the game, so that I can learn.
8. As a user I want to be able to choose which color I have, so that I can practice both sides.
9. As a child I want an easy to use interface, so that I can understand it.
10. As a busy person I should be able to ask for a draw, so that I can stop playing at any time, and not waste time.
11. As a user I want the game to show me when a move is invalid or valid, so that I get some visual feedback.
12. As a user I want an option to see a history of my games played.
13. As a user I should be able to set a time limit to turns.
14. As a user I want the game to show me when a king is in check, so I can make an appropriate move.
15. As a user I want to see which pieces are taken, so that I can have an overview of the game.

16. As a user I want the game to show me the last move made, in case I miss it.
17. As a user I want to see all valid moves when i click a chess piece, so that I can easily see what's available.
18. As an experienced chess player I want to be able to do special moves (castling), so that the game mirrors real life chess.
19. As an experienced chess player I want all special draw rules to apply, so I don't waste time.
20. As a player I want to be able to exchange my pawn with my choice of queen, rook, bishop, or knight, if i move it to the other side.
21. As a user I should be able to see who's turn it is.
22. As a user i want the game to end, showing me who won, when a game ending criteria is met, so that i know who won.
23. As a competitive player I want the game end screen to show me my new ranking, so that I get an update on how I'm doing.
